

# LONDON GRAND TOURNAMENT

## Malifaux at LGT 2020

27-28 June 2020

Lee Valley Indoor Athletics Centre, 61 Meridian Way, Edmonton, London N9 0AR, UK

*I am delighted to be bringing Malifaux to the London Grand Tournament for the first time. The annual event is growing and becoming recognised as a true cross system gaming event – something quite unique in the UK. The 2020 tournament will mark almost exactly a year since the release of Malifaux Third Edition, so now feels like the right time to introduce Malifaux into proceedings.*

*Let's introduce ourselves with a bang and make this another great fixture in the Malifaux calander!*

Tom.

### **Tournament Format**

**This will be a Malifaux Third Edition tournament following Gaining Grounds. There are a couple of exceptions that differ slightly from Gaining Grounds, so please read this document carefully.**

The LGT will be a five round event over two days. On registration, players will commit to a single faction they will be playing for the entire event. A copy of the Gaining Grounds document can be found here: <https://www.wyrd-games.net/malifaux>.

Strategy and schemes will be revealed two months before the start of the tournament and taken from the Gaining Grounds document that is considered current at that time.

### **Proxies, Conversions and Painting Rules**

Proxies and conversions are allowed as long as they are a clear and appropriate representation of the model they are being used as. Wyrd models may only be used as the models they are unless significantly converted. If in any doubt, please contact the tournament organiser in advance of the event for a ruling.

All models must be assembled and securely attached to the appropriate sized base.

**Painted models are compulsory. A model is considered painted when it is noticeable that effort has been taken to colour all the parts of the miniature appropriately. Models in coloured plastic are exempt from painting requirements.**

### **Tournament Schedule**

*Each game will last two hours and fifteen minutes including set-up.*

## **Crew Construction**

Each player will register on the day with a specified faction. At the beginning of each round you must declare a leader from your chosen faction then hire a legal crew totalling 50SS (including upgrades). Only models that have had an official rules release (available on [wyrd-games.net/malifaux](http://wyrd-games.net/malifaux) or on the official app) will be considered legal. Dead Man's Hand models are not considered legal.

**Game Variant - Singles: when Hiring, Masters not sharing a Keyword with the Crew's Leader cannot be hired.**

## **Terrain**

Terrain will be placed in advance by the organisers and should not be moved by the players. If you feel there is a legitimate reason why terrain needs to be moved, please consult the tournament organisers.

## **Awards and Prizes**

Prizes will be raffled at the end of the tournament. Details of how raffle tickets will be awarded will be announced in a future update.

Awards will include the following achievements:

**Winner**

\* During the lunch break of Day 1, there will be an opportunity to display a 50ss crew painted by you and vote for your favourite.
